Mr. Lou Karagianis  
Vice President, Manager  
Special Information Systems SBU  
Xerox Special Information Systems  
250 North Halstead Street  
Pasadena, California 91109

Dear Mr. Karagianis:

I want to extend my thanks to you for the outstanding support provided by several Xerox employees to the effort to automate our Life Sciences Branch. Xerox employees associated with this project have worked long hours under short deadlines to develop and install [redacted] software on 14 Xerox 1108 workstations at CIA Headquarters. Please convey my appreciation to the following people:

STAT

Donald Stewart, Manager  
Rae Conrad, Senior Programmer  
Kurt Piersol, Programmer  
Laura Ellersieck, Programmer  
Robert Ferrer, Washington Service Office

We look forward to additional work with this team in the future.

Sincerely,

Robert M. Gates  
Deputy Director for Intelligence

DI/ASG, [redacted] (20 May 85)
